10. [_____] Richard Perle, Permanent Subcommitee on Investigations staff, came out for a meeting with Messrs. Proctor, [_____] DDI, with whom he discussed Soviet agricultural and foreign trade situations. Perle was especially interested in ways in which the U.S. might use the Soviet interest in U.S. trade to extract concessions from the Soviet Union regarding immigration restrictions, travel restrictions, etc.

As follow up Perle would appreciate:

    a. A copy of a series in the <u>Washington Star</u> last October regarding the Soviet wheat deal.

    b. Information on Soviet forced labor camps.

    c. Any background information we may have on [_____]

11. [_____] Based on the advice of DDO, OGC, and OPPB, called Jim Purcell, <u>Office of Management and Budget,</u> and advised that with regard to Department of State's draft bill, "...establishment of the Board for International Broadcasting; to assist and strengthen... Radio Free Europe and Radio Liberty," we defer to State on the matter, but endorse the approach. No further action with OMB is needed.

12. [_____] [_____] Map Library, called to report a request from Gregory Friberg, in the office of Representative Dan Kuykendall (R., Tenn.), for two unclassified, non-Agency maps, and I agreed to their mailing the maps directly.

13. [_____] Carol Mitchell, in the office of Senator Robert Griffin (R., Mich.), called to set up an interview for a constituent, [_____] who is interested in employment with the Agency. I called [_____] Personnel, and set up an interview for 2:30 this afternoon. I subsequently called Ms. Mitchell back and gave her the information. [_____]
